

Z43

A water-resistant lubricant suitable for use on all machine parts, providing protection against rust and corrosion.

Features & Benefits

- Non-staining – will not cause damage
- Ultra fine mist spray – economical to use
- Non sticky finish – very low dust attraction
- Good water resistance – will resist wash off, no comebacks

P/N	Product	S/C	Packaging
50040	Z43	Z43	400 ml aerosol

Application

Z43 is a very light silicone based lubricant, which is perfect for applications where a thick oily or greasy film is not desired.

It is ideal for curing squeaky plastics, weather-strips and general trim, and is also suitable for lubricating window channels and sunroof runners.

Due to its light film, many also use Z43 as a dressing for restoring tired plastic trim such as bumpers and dashboards, leaving a like-new finish, together with a pleasant smell.

Instructions

1. Shake well before use.
2. Spray liberally on to surface requiring coating.

Technical Information

Base:	Silicone
Consistency:	Liquid
Colour:	Whitish
Shelf life:	24 months
Custom tariff code:	3403 9910
VOC:	500 g/l

Specific gravity:	0.715 g/ml 25 °C
Temp resistance:	
Continuous:	-40 °C to +220 °C
Temporary:	Not determined
