## Application

Long Lasting Shine is a spray polish suitable for all types of paint, plastic, gel, coat, glass etc. It can be applied by hand or by machine to achieve an excellent finish on all types of paint, including delicate colours.

Excellent for the removal of traces of abrasives paste, haloes, etc.

## Instructions

**By hand:** Spray on surface to be polished and buff immediately with a non-scratch polishing cloth.

**By machine:** Use with polishing machine (800-1800 rpm) for the elimination of polishing traces, haloes, etc.

1. Apply polish to painted surface. Apply pad and move to polish up the surface.
2. As the haze starts to clear reduce the pressure.
3. Continue to float the surface with un-pressured pad until the surface is completely clear.
