

No Edge Blending Tape & Flexi No Edge Blending Tape

Foamed masking tape.

Features & Benefits

- Seamless blending from old to new paintwork – avoids unnecessary rework
- Available in two versions to cover all applications
- Ideal for body swage lines (NEBT) and curved style lines/ panel edges (FNEBT)
- No paint edges
- Non stretch (NEBT)
- Absorbent

P/N	Product	S/C	Packaging
85387	No Edge Blending Tape	NEBT	Single roll dispensing box
86437	Flexi No Edge Blending Tape	FNEBT	Multiple roll dispensing box

Application

No Edge Blending Tape is a foam combined with a crepe masking tape and a rubber based pressure sensitive adhesive. The product is designed for the masking of swage lines (like door departures) and panel edges to blend from old to new paintwork. NEBT assures a quick lay down, no residue on de-masking. Suitable for IR.

Flexi No Edge Blending Tape is a flexible foam with a rubber based pressure sensitive adhesive but without a crepe masking tape which gives this tape much more flexibility compared to NEBT. The product is designed for masking of curved style lines (like wheel arches) and panel edges to blend from old to new paintwork. FNEBT assures a quick lay down, no residue on de-masking.

Instructions

1. Apply the tape on the panel next to the swage line ensuring that edge is level with the panel bend, then push the tape to secure into place.
2. Mask the surrounding area as normal and spray the panel as normal.
3. Remove tape before or after drying, depending on preference.
4. Remove the masking material exposing a seamless transition between the old and new paintwork.
5. This will now result in a perfect blending of the paintwork along the swage line edge avoiding any unnecessary rework.

Technical Information

No Edge Blending Tape:

Part number:	85387
Stock Code:	NEBT
Size per roll:	20 mm x 5m
Product Packaging:	1 roll per box
Shelf life:	1 year (at room temp.)
Custom Tariff Code:	39 21 90 90
Thickness:	3 mm
Width:	20 mm (+/- 1mm)
Length:	5 m (+/- 0.1m)
Colour:	White
Tensile strength:	> 87.5 N/cm
Elongation at break:	> 9%
Temperature Resistance:	150 °C (30-80 min. on cooling after bake cycle)

Flexi No Edge Blending Tape:

Part number:	86437
Stock Code:	FNEBT
Size per roll:	15 mm x 5m
Product Packaging:	5 rolls per box (5 * 15 mm x 5 m)
Shelf life:	1 year (at room temp.)
Custom Tariff Code:	39 21 90 90
Thickness:	4 mm (+/- 0.5mm)
Width:	15 mm (+/- 2mm)
Length:	25 m (+/- 0.5m)
Colour:	White
Tensile strength:	min. 16 N/cm
Elongation at break:	min. 250%
Temperature Resistance:	95 °C
