### Application

KENT Air Jet is a powerful air freshener to refresh even large areas within seconds.

The product is a high pressurized aerosol allowing a spraying distance of more than 2 meters. Within one second you refresh a room up to 100 square meter.

For large areas, spray into different directions.

KENT Air Jet is available in three fragrances: fresh Citrus, fruity Cranberry and Cotton Fresh.

Typical areas are the garage, changing rooms, washrooms and all other areas, where a fresh fragrance is required and appreciated.

### Instructions

1. Spray KENT Air Jet into the middle of the room for max. one second
2. Repeat if needed

N.B.: Always ensure the nozzle is pointing away from the body.
