Application

KENT Active Foam Cleaner is a multi-use foam cleaner with a wide spectrum of applications. It can be used on soft and hard surfaces and is designed to quickly and easily produce a sparkling, smear free finish and is specially formulated to overcome the use of many different competing products with just one KENT product. It can be used for all types of vehicles (inside and outside), industrial and MRO, handcraft, office including kitchen and washroom, windows and furniture. On glass it is effective and quick, plastics are quickly returned to look as good as new and seats and head linings can be cleaned without "soaking". KENT Active Foam Cleaner does not contain perfume oils, it leaves no residues ensuring a streak-free finish.

Instructions

1. Spray KENT Active Foam Cleaner from a distance of 25 to 30 cm on the surface to be cleaned.
2. Rub dry with a clean cloth. Repeat if necessary.

N.B.: 1. When using on fabric, always test an inconspicuous area first.
 2. Please refer to the details of the NSF registration category A1 in the technical information overleaf.
